

# NH PROPERTY TAX RELIEF

## Are you a homeowner and pay property tax in NH?

If so, you may qualify for a rebate on the property taxes you paid in 2020.

To see if you qualify, look at line 11 of the 1040 or 1040-SR we prepared for you.

- If you file as Single, line 11 must be \$20,000 or less.
- If you file Married Filing Jointly or Head of Household, line 11 must be \$40,000 or less

If your income is within those ranges, we will be happy to help you fill out the necessary form.

You will only need a copy of your 2020 income tax return and your December 2020 property tax bill.

Between May 1st and June 30th, please call 603-888-2554 and leave a message or email [paulineandpaul1040@gmail.com](mailto:paulineandpaul1040@gmail.com). Be sure to include your name and phone number.
